

## ***Call for papers...***

The *Xavier Zubiri Review* is soliciting papers for its 17th edition, which will be published in 2026. Papers dealing with any aspect of Zubiri's philosophy or biography will be considered.

All papers are reviewed by the Editorial Review Board, and authors may be asked to make changes or corrections. Papers may be in any language, though English and Spanish are preferred. Papers should be 10-20 pages in length, and should be submitted electronically if possible, by email attachment. Charts, diagrams, and photographs are acceptable, though they will only be printed in black-and-white. All papers accepted will be published on the Xavier Zubiri Foundation of North America's web site, [www.zubiri.org](http://www.zubiri.org), as well as in printed form. Papers must be received no later than 1 April 2026 to be considered for this issue. Authors should also include a brief biography and a photograph, or be prepared to supply them after acceptance of their paper for publication.

We are also seeking Zubiri-related books to review. If you wish to have your book reviewed in these pages, or if you would like to serve as a book reviewer, please contact the editor at the address below, or send an e-mail message.
